**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who completely supports broadband competition. I would be upset if things change and since I live on a low income, this would be a financial hardship for me. Please stop large companies from cutting out the competition so they can control the market and pricing. Thank for taking action and stopping this action.
